

PainWeek[®]

CONFERENCE 2024

CONNECTING EDUCATION TO APPLICATION

SCHEDULE-AT-A-GLANCE

**SEPT
3-6**

**COSMOPOLITAN OF
LAS VEGAS**

PainWeek®

Celebrating our 18th year, PAINWeek remains the largest US pain conference and the favorite destination for healthcare practitioners to enhance their competence in pain management.

Clinicians can immerse themselves in continuing medical education across multiple therapeutic areas, taught by over 50 pain management thought leaders.

Join us for a multidisciplinary agenda, inclusive of satellite events, exhibits, and more!

Please visit www.painweek.org to learn more and to register for the 2024 conference.

75+
CE/CME

CONTENT HOURS
PRESENTED

Additional credit hours will be available via PAINWeek Digital All Access, beginning November 2024.

PainWeek®
CONFERENCE 2024

**CONNECTING
EDUCATION TO
APPLICATION**

SEPT 3-6 **COSMOPOLITAN OF LAS VEGAS**

The banner features a central image of a doctor in a white coat using a tablet. To the left, there are several red hexagonal icons containing white symbols: a lightbulb, a magnifying glass, a heart, a cross, a lightning bolt, a brain, and a stethoscope. The background is dark blue with a subtle light effect.

9.3

TRACKS WILL BE PRESENTED FROM 7:30AM TO 5:20 PM
